## **DOG BOARDING IN OUR HOME**

Board your family dog in our home! Experienced dog handler provides a limited number of places in our home for specialized, family style boarding.

### **What we need:**

- Proof of up to date shots including *Kennel Cough* and flea/tick prevention
- Completed paperwork (consent and pet sitter form)
- Leash and collar
- Unlaundered tee shirt for 1st time stayers
- Medications
- Special diet requirements

### **Get Acquainted Visit:**

Because your dog becomes part of our family, I would like to meet you and your pet before their stay. We need to know all we can about your dog prior to boarding. It is important for us to know their personality, likes, dislikes and tendencies. **Dogs with boundary, aggressive or destructive behavior cannot be boarded.** I also reserve the right, and at my discretion, to kennel any aggressive behavior I deem unsafe to other boarding pets and handlers. This will be done off premises and at the pet owner's sole cost and expense. In addition, any emergency veterinarian fees resulting from this negative behavior will also be the responsibility of the owner.

### **Boarding Rates:**

\$65.00 - \$90.00 a day, per dog. Discounts are given for multiple pets. (Two dogs \$100.00, 3 dogs \$140.00, four dogs \$170.00 a day.) The range of boarding fees is reflective of your pet's special needs, behavior and age. An additional \$15.00 will be charged for a holiday stay and/or for pets over 6 months old who are not neutered or not spayed. Puppies start at \$75.00-85.00 per day. Medications will be administered at a \$5.00 per dose per medication.

**Dogs MUST be pretreated with Frontline or some other flea/tick medication prior to their stay.**
